RULES & REGULATIONS

Please initial each of the following so we know that you have read and understood the rules and regulations of doggy daycare. Thank-you!

1. Dogs must be 16 weeks of age or older and spayed/neutered if older than 6 months of age. Initials_____
2. Dogs must be house trained (unless they are young puppies). Dogs that excessively or consistently urinate/mark indoors will be expelled from daycare. Initials_____
3. Dogs must be non-aggressive with other dogs and humans. This includes possession aggression over food and toys. Please remember that your dog will be in close contact with other dogs in the presence of treats and toys and that safety is our main concern. Hound's Hangout reserves the right to immediately confine and then expel dogs that exhibit aggression of any kind. Initials_____
4. Dogs must have basic manners. This means that we expect dogs to mind the humans that are taking care of them. Dogs that bark excessively, hump or bully other dogs, or dogs that are destructive, generally obnoxious or listen poorly will be put "on notice". Often these are behaviours that our in-house obedience trainer can "fix". A meeting will be scheduled with the trainer and owner and dog and solutions to remedy unwanted behaviours will be discussed and an action plan will be agreed upon before the re-admittance of the dog into daycare. Initials_____
5. Dogs are required to be up to date on vaccinations, on a flea prevention program and an internal parasite prevention program. All dogs must be in good health and owners are required to sign off on health and temperament of their dog. All dogs must be free of communicable disease for 90 days. If dogs have contracted a disease and have recovered but wish to attend daycare prior to the 90 day wait period, a veterinarian's letter will be required before re-admittance to daycare. Initials_____
6. ALL DOGS and owners will go through an initial "Treat & Greet" interview that allows Hound's Hangout staff to assess individual dogs of their suitability for daycare. This process is made by appointment only and must be completed prior to the first day of daycare. Initials_____

7. Fees are due and payable on the day which daycare services are provided.
Initials _____
8. Dogs must enter and exit the building on a leash and BEHIND their owners. Dog are not permitted to charge through the door ahead of their owners for safety reason. You never know what is on the other side of the door and sudden surprises can cause dog fights. Initials _____

If a dog remains past 30 minutes after closing and no contact has been made, the dog will be cared for overnight at a charge of \$60. If, by the next day, the dog has not been picked-up and no contact has been made with Hound's Hangout, the dog will be surrendered to the local animal shelter and all services by Hound's Hangout provided to this owner will be suspended indefinitely.
